DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

See attached notification and ONE MONTH extendable period for reply

Sam Rimell
Primary Examiner
Art Unit: 2164

The reply filed on January 11, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

37 CFR 1.111(b) states:

"The reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references."

Claims 66-69 are newly added. No arguments are presented as to how these claims distinguish from the applied prior art in the record (the reference to Kolling et al.)

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Sam Rimell at telephone number (571) 272-4084.

Sam Rimell
Primary Examiner
